

Human Rights Commitment

MyPup publicly commits to respecting human rights in all aspects of its operations and relationships. This commitment is aligned with internationally recognized standards, including:

- The **UN Guiding Principles on Business and Human Rights**
- The **International Bill of Rights**, encompassing the rights under the **Universal Declaration of Human Rights**
- The **International Labour Organization's (ILO) Declaration on Fundamental Principles and Rights at Work**

We ensure these principles guide our decision-making, supplier relationships, and employee practices, reinforcing our dedication to ethical and sustainable business conduct. We will continue to review and strengthen our approach to human rights as our organisation grows and evolves.
